SMILE BIG!

Smile **BIG** at someone the **WHOLE** time you talk to them without letting it go.

JOKERS

30 SECONDS LONG!

Choose a conversation starter out of the bag; be sure to look at it only when you're ready to use it. You will start a conversation with the next person who walks by using this strip and will need to keep it going for 30 seconds. The others will time you once you start your conversation.

JOKERS

MAKE ONE UP!

Make up a word and use it in conversation with another person, object is to get them to repeat it back to you before they leave the conversation.

JOKERS

PIN IT OR PLACE IT!

Pin as many clothes pins on another person's clothes as you can **OR** put as many pencils in another person's pockets as you can for 2 minutes without getting caught, or before you get caught!

JOKERS

EYE ON ME!

At a local grocery store you try to walk down an aisle. The challenge is, you can only move down the aisle if someone is making eye contact with you while you move, this person needs to be the same person who gets you down the full aisle. Do whatever you need to do to get their attention so you have eye contact while you walk or move as quickly as you can down the aisle.

JOKERS

WHISPER IT BABY!

Choose a whisper strip and begin by whispering this random conversation starter to a stranger. The object is to get them to whisper back to you when they reply

JOKERS

TAKE IT SHOPPING!

Go shopping and take an item out of someone's hands/cart. You want to end up with the item so you can do it discretely or you can pick it up, ask them a few questions and try to get permission to have that exact one, whoever succeeds at getting an item with or without permission gets a point.

JOKERS

SPEED WALKING!

Speed walk through a store to get the item(s) you need, be in a visible hurry and let nothing stop you or get in your way.

JOKERS

Whisper it Baby!

Did you pass gas?	Guido said he wants his money back!
I won't tell if you don't tell!	What time is it?
Where do super heroes hangout nowadays?	What's your favorite letter of the alphabet?
Where'd he/she go?	I'm sorry, what was your name?
I haven't seen you in forever!	Don't spiders just creep you out?
Are you the manager around here?	I wouldn't touch that if I were you!
Did you hear the good news?	Where's the furthest restroom from here?
Now where exactly do you think you're going?
