12 Sexy Days of Christmas

The 12 Sexy Days of Christmas is starting tonight
 So let's make our holidays merry and bright
 Here are the rules, I'll explain them to you
 For the next 12 days, before the day's through
 We must make the time to sneak off each day
 And go for a little roll in the hay
 We can't miss a day- we're talking 12 straight
 (I don't think you'll mind, even if we're up late)
 It might be hard with all the Christmas stress
 But let's just forget it, escape, and undress
 This year, it's not about the gifts and the tree
 It's really about love- just you and me
 So I'll grab candles and mistletoe too

**Because all I want for
 Christmas is *You!***

Merry *Sexy* Christmas,
 My Loved One!

And remember what I say,
 It must be done every day,
 Just so you won't forget -
 Grab an ornament and you're set,
 You can't say "Thank you Honey Bun",
 Until the deed is really done.

Seven

On the seventh day of
Sexy Christmas
my true love gave to me
lights a-dimming for a
bubble bath swimming.
Meet me by the tub at
bedtime- be on time or
it will be a crime!

Eight

On the eighth day of
Sexy Christmas
my true love gave to me
milk duds & all of me!
I promise I'm worth it -
just wait and
you'll see!

Nine

On the ninth day of
Sexy Christmas
my true love gave to me
dancing and romancing to
slow songs and a waltz 'round
the bed. Tonight it won't be
sugarplums dancing in
your head.

Ten

On the tenth day of
Sexy Christmas
my true love gave to me
one lord a leaping, he's the only
one worth keeping. I know what
will get you leaping (you gotta
admit it). We're so red hot-
so let's just DEW it!

Eleven

On the eleventh day of
Sexy Christmas, my true love gave
to me, a pipe for piping. Just blow
when you're ready for some
oh la la ing!

Twelve

On the twelfth day of
Sexy Christmas
my true love gave to me
a ticket for a private
drumming for the one
who's got me succumbing.
Hey baby get over here
and bang on me!

12
Sexy
DAYS OF
CHRISTMAS

The 12 Sexy Days of Christmas is over already,
But we don't need an excuse
to get hot and heavy!

So just let me know, whenever the mood hits...
And we'll find our way back to toe-curling bliss!

You give me a thrill that nothing can beat.

So let's keep tangled up in the sheets.

Thanks for being so charming and cavalier.

You were my very favorite present this year!
