♥ Couples ♥ SCRAMBLE

Work together to get the best score on each hole.

Instructions: Both of you tee off together, watch for who has the better shot. For the next play, both of you hit from the best location. That's right, pick up your ball and place it within a club's length of the better ball. Keep doing this until someone makes it into the hole. Keep score as a team and get the best game possible.

Bonus: Keep track of which spouse hits the best tee below.
