## CONTENTS

- ▶ Invite
- ▶ Challenge Cards
- ▶ VIP Shopper Badges
- ▶ Scavenger Hunt List

**YOUR THRIFT SHOP CHALLENGE CONTAINS NOT ONE, BUT TWO CRAZY FUN ACTIVITIES! SIMPLY SELECT THE GAME OF YOUR CHOOSING AND READ THE RULES BELOW.**

## THRIFT SHOP CHALLENGE CARDS

**WITH 8 COLORFUL CARDS TO CHOOSE FROM, THESE ONE-OF-A-KIND CHALLENGES WILL TAKE THRIFTING TO A WHOLE NEW LEVEL!**

- ▶ Print off the challenge cards, shuffle the deck, and take turns drawing at random. You **MUST** complete the challenge listed on the card you draw- no trading!
- ▶ Be sure and keep an eye out for the 'Couple Challenge' cards as those challenges are to be completed by the **BOTH** of you.
- ▶ Alternatively, you can split the deck between the two of you and take turns working through the challenges in that way.
- ▶ \*This game can be made group-friendly with just a few minor tweaks! Have someone from the group draw a challenge card from the deck. That challenge must then be completed by one person from every couple (or by each couple together if a 'Couple Challenge' card is drawn). When finished with that challenge, a new card is drawn and the alternate person from each couple must complete it ie. if wives went last time, the husbands are up! Continue play until all challenges are completed.

## THRIFT SHOP SCAVENGER HUNT

**NEXT UP, A FAST-PACED SECONDHAND SCAVENGE THAT'S FULL OF LAUGHS!**

- ▶ Print off the scavenger hunt sheet with your spouse and set a time limit- we suggest no longer than 20 minutes for the ultimate thrift shop showdown.
- ▶ Lace up those running shoes and begin your search. Try and find all of the items before the clock runs out!
- ▶ Alternatively, you can play **AGAINST** your sweetie by printing two lists and searching for the items separately. Whoever finds the most correct items within the time frame wins!
- ▶ \*To make this a group-friendly game, simply print multiple sets of scavenger hunt sheets and divide them amongst the couples. Set a time limit and race to find the items! Whichever couple finds the largest number of correct items within the time frame wins!
