INSTRUCTIONS

1

One spouse starts first and rolls the die to see which piece of clothing the other spouse will remove first. Whatever number it lands on is the piece that is removed. The catch is that you can only take off that one piece! So if the die lands on the number for a bra and you still have your shirt on, then take your shirt off, then bra and then put your shirt back on.

2

Then the other spouse rolls the die to see which piece of clothing a spouse will take off. The same rules apply to both spouses and they can only take off one piece of clothing.

3

After both spouses roll and remove one piece of clothing, set the timer for two minutes of play time! Play time includes kissing, touching, and anything else you want to do that does not involve actually making love. Be creative!

4

At the end of two minutes, all play **MUST** stop and both spouses get to roll again. If one spouse rolls a number that has already been played, then their turn is skipped and the next person rolls the die.

5

Continue play by rolling the die and have two minutes of play time after each set until no clothing is left to take off. When no more clothes are left, play one more set of two minutes and remember anything goes except making love. When the last two minutes are up, the game is over!
Anything goes!!
