Activities

## DR. FRANKENSTEIN'S EVIL TWISTER GAME

**Instructions:** This game is played in pairs. Start by dividing the cards into 2 piles by color. Turn them face down and then draw from one card from each pile. If you put them together you should get a sentence "Connect your HAND to a CHIN" Next, take those slips of paper and put them between your hand and your partner's CHIN. Hold that position (just like Twister!) and continue by drawing two new cards. Keep adding connections until one of the papers fall to the ground. See how many papers you can hold between each other.

CONNECT YOUR **EAR** TO
