Flip Flop Tag

Print out this page on a piece of cardstock paper and cut the tags along the dark brown edges. Then glue or tape the two pieces back to back. Use a hole punch to cut out the hole at the left side of the tags and string them together with a fun ribbon or tie of your choice!

You are the **FLIP** *to my* **FLOP**

Looking forward to creating lots of wonderful summer memories!

It's a sunshine day!
