INSTRUCTIONS FOR **Santa's Cookie Box**

Each cookie has a category and an item. For each cookie that 'Santa' picks, the cookie will determine the activity to follow.

For location, 'Santa' may choose to meet underneath the Christmas tree or have his 'Elf' determine the location for him. Next, he will decide what attire is required... 'Santa' may want his little 'Elf' dressed up in stockings or he may prefer to keep his Santa hat on... or both.

Lastly, 'Santa' will want to determine if he'd like to add a little spice to the evening. If he chooses the "Mistletoe" option... then his little 'Elf' gets to show him where to plant his kisses. If he chooses the "Packages tied up with String", then his little 'Elf' will have wrapped up something fun that will add to their evening together.

'Santa' may reserve the right to use up all of his cookies for one evening of fun, or decide to use them sparingly over the course of several days.
