

THE  
DATING  
DIVAS  
Copyright 2010

This key is very special you see,  
because we don't have a chimney.

It won't work for you or for me,  
so hang it on your door and let it be.

Go to bed and worry no more,  
Santa will use it to open the door.

Close your eyes and close them tight,  
because The Jolly Old Man is coming tonight!!!

This key is very special you see,
