

# That Reminds Me...

Our first date  
His hair color  
Our wedding day  
What helps him relax  
His work  
How he would use spare time  
Something from his childhood  
Our first kiss  
How he makes me feel  
His car  
When I knew I loved him  
Our first fight  
How he looks  
Our last fight  
His hobbies  
An embarrassing moment
