

🌿 COWBOYS & PILGRIMS 🌿

PRINTABLE DIRECTIONS

Cut out the invitation (pg. 2) to give to your husband. For the game, cut out the turkey body and all of the feathers. We've included some blanks in case you'd like to "spice" things up a little!

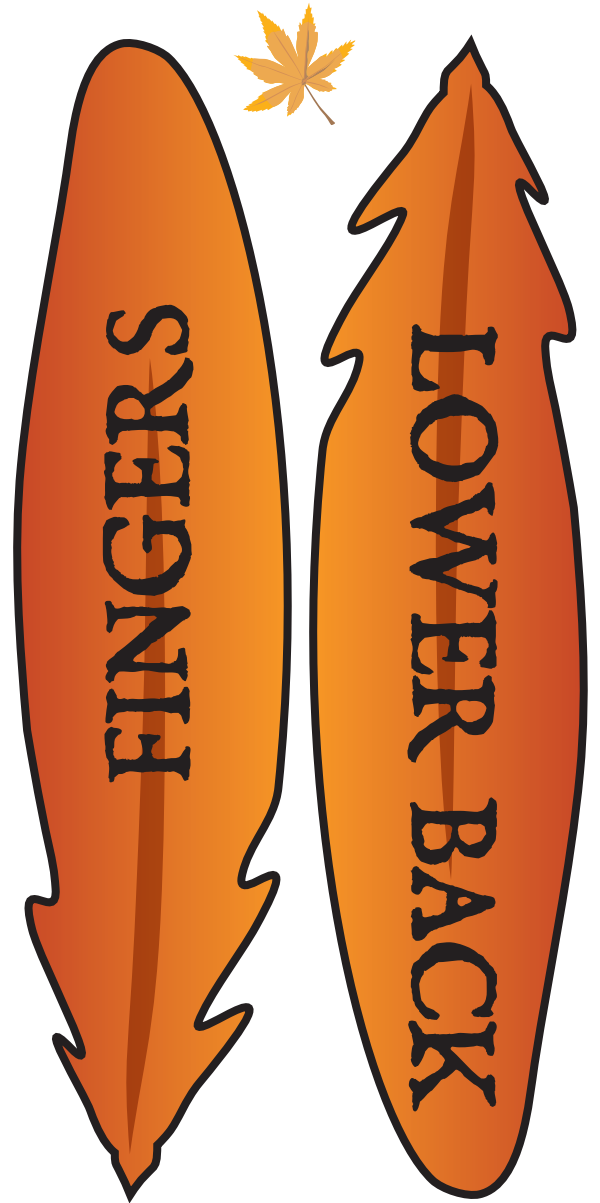

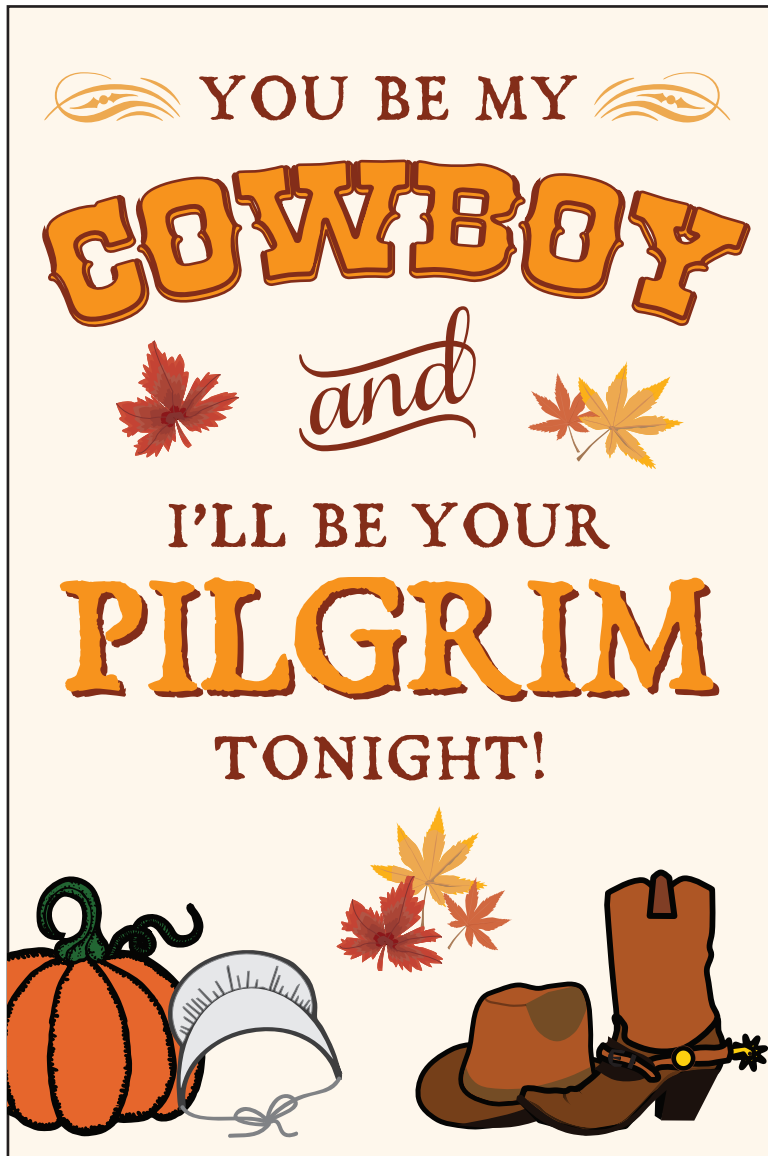

HOW TO PLAY

The object is to pick a feather and then show your spouse how *Thankful* you truly are for that body part! If you are successful, your spouse can pin that feather on the turkey.
