# BEDROOM TABOO

## instructions

Get your spouse to say the key word without saying the taboo words! Try to get your spouse to say as many words as you can in 30 seconds. Once time is up, set the timer for 1-2 minutes and complete any action cards guessed correctly. If you guessed any body parts, give your spouse attention focused on that area.

For intimate items cards and relationship cards spend a few minutes discussing what you like, dislike or why it might be important for the bedroom relationship! Don't rush... enjoy time connecting in the bedroom with this fun game!
