«« ASK ME ANYTHING »»

If you could take one vacation this year, where would you want to go?

If you were gifted \$10,000, how would you spend it?

What are your goals for this year?

What embarrasses you the most?

Who do you look up to?

What is something about yourself that you wish you could change?

What is something that you wish we would start doing together?

If we only had one more day together, how would you choose to spend it?

What is something you want to do before you get too old?

What is one thing you want but would never buy for yourself?

What is your perfect day? Describe it hour by hour.

How do you like to be comforted?

««« ASK ME ANYTHING »»»

What is something most people would be surprised to find out about you?

If you choose one famous person to be your best friend, who would it be?

What is your favorite possession?

When did you last cry? Why?

When did you feel the most proud?

When did you recently feel challenged?

What do you dream about most?

What challenged you recently?

What makes you laugh the hardest?

What is the most meaningful memory you have about our marriage?

If you could pick anywhere in the world, where would you like to live?

What do I do that makes you happy?
