STRENGTHENING MARRIAGES, ONE DATE AT A TIME

HEADS UP

Spouse Edition

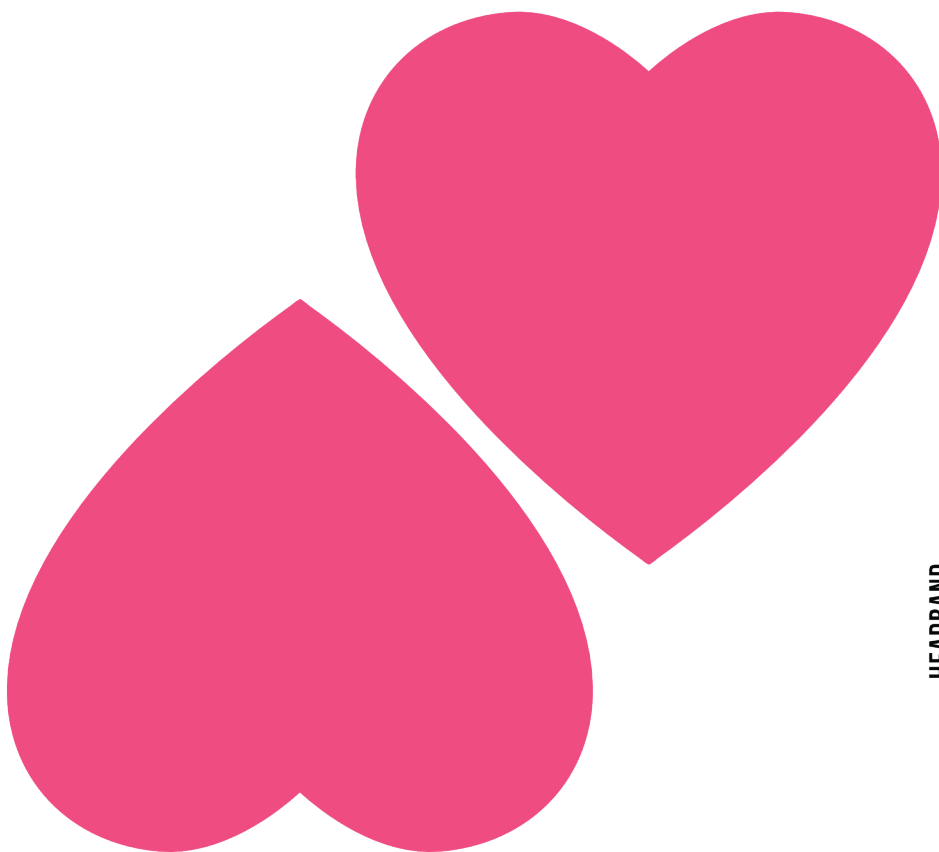

HOW TO PLAY:

One player places the headband on their head and, without looking at the card, places a card in their headband. Set the timer for 60 seconds. The partner who can see the clue card gives as many clues as they can, without saying any form of the word on the card until their partner can guess both of the words/phrases on the card. If they guess correctly, they replace the card with a new one in their headband and continue until the timer runs out. The point is awarded to the guessing player for each word/phrase they guess correctly.

VERSIONS:

The person giving the clues can do so verbally or, for a more challenging game, they can give clues without using words or sounds - it is up to you!
