HOSTESS *notes*

Present Wrapping

Provide 2 - 4 different styles of wrapping paper, ribbons, bows, tape, and scissors. If you have other holiday embellishments, toss them in the pile!

Tree Trimming

Decor: Provide a variety of different items. Your contestants will be judged on theme, so you have a lot of leeway. Include some children toys, food items, even construction paper, scissors, and tape so they can construct their own ornaments.

TREE: If you have multiple trees - awesome. If not you can usually grab some small table-top trees for reasonable prices, or you can even have the contestants make their own tree out of construction paper!

Gingerbread Decorating

Make or buy your gingerbread man or houses in advance. Have icing in all the classic holiday colors available as well as different candy for topping.

Card Making

Find some holiday stamps and scrapbook embellishments, ribbon, and a lot of markers! You could also buy blank cards or have the contestants make their own from construction paper.
