DATE GUIDE

Step 1

Prep for your Gourmet Dinner Date by creating a guest list and sending the invitations. Be sure to include a recipe card with each invite as all couples will contribute a dish to share- potluck style. Each couple will record the recipe they prepared and swap them at the date!

Step 2

Set the stage for your gourmet date by utilizing candles, nice dishes, and mood music! Set the food tents in front of the coordinating dishes that are brought. Give each couple a Food Critic Card and take time to sample everyone's specialties. Compare notes & have fun!

Step 1

Wrap up the evening by having each couple share what went into creating their specific dish. Swap recipes so everyone leaves with a different card than they came with. Challenge everyone to recreate that dish sometime during the week and report back!
