Be able to sing the next 5 words in the song or you lose a piece of clothing

How to play: One person opens the **Songs to Sing in the Car Date Night** playlist from Spotify and presses "shuffle". As the song plays, the player controlling the playlist will hit pause at some point in the song. The other player must continue to sing the next 5 words of the song. If they are correct, roles reverse and play continues. If they are wrong - they must remove an article of clothing. First player to be completely sans-clothes loses . . . *or do they? wink! wink!*
