STRENGTHENING MARRIAGES, ONE DATE AT A TIME

HOW *to* PLAY!

- Take turns drawing a card from the FORE pile.
- Do the challenge on the card. If you succeed, your partner draws a PLAY card. If you fail, you draw the PLAY card.
- Important: You BOTH try the challenge on the FORE card before drawing a new one.
- Any whipped cream that is sprayed on must be licked off.

FORE Card

Have your spouse draw a heart somewhere on their body, cover it with a drop of whipped cream, and then put ten more drops of whipped cream somewhere else on their body. You have five chances to lick off the drops and find the heart!

FORE Card

Have your partner pick a spot on themselves to put whipped cream, then you try to find it with your eyes closed.

FORE Card

Stare into each other's eyes and take turns trying to make each other smile. First one to smile draws a PLAY card.

FORE Card

Spread whipped cream on your partner's stomach. Have them close their eyes while you draw a picture, and then have them try to guess what you drew.

FORE Card

Put a dollop of whipped cream on the back of your hand. Have your partner lay near you, hit your hand and see where the dollop lands, and then lick it off. Call where you think it will land- if you're right, they draw a card, if you're wrong, you do.

FORE Card

Have your spouse hold up fingers between 1-5 behind their back. Guess what they are holding up by putting that many dollops of whipped cream on them.

FORE Card

Put a dollop of whipped cream on the back of your hand, hit your hand, and try to catch it in your mouth.

FORE Card

Have your partner put a dollop of whipped cream on their hand, hit it off, and you try to catch it in your mouth.

FORE Card

Try making the tallest, skinniest tower you can out of whipped cream. Tallest tower wins.

FORE Card

Use the whipped cream as a pen and write a word on your partner. If they can guess what you wrote, draw a PLAY card.
