# Beach GAMES

## **SHARPIE TATTOO CHALLENGE**

Each couple gets a sharpie. The wives will go first and draw a tattoo on their husband's arm or back (no peeking!). While they draw, the husbands draw what they think their spouse is drawing on them in the sand. Closest picture wins! Then you'll switch and it'll be the husbands' turn to draw!

## **BEACH BALL VOLLEYBALL**

Using the beach ball (and with or without a net), divide into teams and play volleyball. If you don't have a net, draw a line in the sand.

## **SANDCASTLE BUILDING CONTEST**

Set a timer and work as a couple to build the best sandcastle. Everyone votes on a castle (not their own) and the one with the most votes wins.

## **BEACH BOWLING**

Use 2-liter bottles as bowling pins and a beach ball to see which team can get the best beach bowling score.

## **BEACH TOWEL PARACHUTE**

Each couple holds a beach towel from either end to create a parachute for the beach ball. Bounce the ball on the towel. Winners are the couples with the highest bounce and the most bounces without dropping the ball.

## **SQUIRT BALL RELAY**

Each couple will draw two horizontal lines in the sand as start and end points. Set the beach ball at the starting line and then use squirt guns to squirt the ball across the finish line. Refill guns as needed in the water. Set a timer and the fastest couple wins.

**INSTRUCTIONS: OUR KIDS ARE SO EXCITED TO HAVE A **WATER DAY** AT HOME! USE THESE GAMES BELOW AS A GUIDE FOR YOUR FUN-FILLED DAY. NOW GO MAKE A **SPLASH!****

**WATER GUN TARGET PRACTICE**

**Step One:** Gather two 2-liter bottles and cut a roughly 3 inch circle on one side (about midway up the bottle).

**Step Two:** Use a sharpie to draw a line just below the hole. (This will be your "fill line.")

**Step Three:** Tie a string firmly to the bottom of each bottle, leaving plenty of string on the ends.

**Step Four:** Tie the string under your child's chin so the 2-liter sits on top of their head.

For the game: Have 2 kids sit with bottles tied to their heads. Their teammate will stand several feet away and shoot a squirt gun at the hole cut in their bottle. The first team to fill the bottle to the fill line wins!

**ROLL AND SPLASH**

Fill a cookie sheet with water and have everyone sit around it.

Everyone takes a turn rolling a die. If you roll a 1, splash the water in the pan and try to soak everyone around you.

**SPONGE TOSS**

Have two people stand apart, one with a full bucket and another with an empty bucket. Fill a sponge with water and toss to your partner to wring out into the empty bucket. Set a timer or race another team in real time.

**CUP BY CUP**

Everyone sits in a line with a bucket full of water in the front and an empty bucket in the back. Each person gets a cup. The person in front will scoop some water out of the full bucket, then pass it over their heads and try to dump it into the cup behind them without looking. Keep going all the way down the line until the last person fills the empty bucket. See how much water you can transfer to the empty bucket without spilling too much!

**WATER BALLOON FIGHT**

Fill a bucket of water balloons, grab some squirt guns, and have a water war! Everyone wins in this game!

**CUP OF CHANCE**

Set up a table of cups and fill about half with water. Leave the other half empty. Everyone takes a turn choosing a cup without looking and dumping it on their head. If you get wet, you're out. The last dry person in the game is the winner.
