Famous Footloose 80'S SONG TITLES

Guess the famous song title from the lyrics. Cut out each song title and lyrics, then put them in a bowl. Take turns being the judge. The judge will pull out a song and read (or sing!) only the lyrics. The other couples will guess the song title as quickly as they can. The judge will decide who said it first and awards them a point. The judge will award a bonus point for any couples that can sing the chorus from the song.
