STRENGTHENING MARRIAGES, ONE DATE AT A TIME

Christmas ALIAS

A CHARADES GAME

by The Dating Divas

YOU WILL NEED:

- 1 minute timer (on a phone works great)
- All 60 game cards cut out

RULES:

- Split into two teams.
- This game will have 3 rounds.

ROUND 1:

The first team will take the stack of cards. Set a timer for one minute, then give clues to your teammates to get them

to guess the exact word or phrase on the card. If you can't think of a hint, simply read the card (not the word) to them. You can skip a word at any time. Make a pile of the cards that your teammate guesses. For round 1, the only rule is that you can't say a word that is on the card — **but you can say absolutely anything else.**

After one minute, play passes to Team 2. Continue switching teams until all of the cards have been guessed. Tally up the points (at the bottom of the card) earned by each team, and then put all the cards back into a single pile.

ROUND 2:

The team with the lowest points from round 1 will go first. For round 2, you can **only give one-word clues.** If your team cannot guess the answer using

your one clue, you must skip the card. Continue switching teams until all the words are guessed. Tally up each team's points from round 2, add it to the totals from round 1, and put all the cards back into a single pile again.

ROUND 3:

The team with the lowest points from round 2 will go first. Round 3 is **classic charades.** You must act out the word on your card; you cannot make any sound. Set the timer for one minute and continue switching teams until all the cards have been guessed. Tally up the points and add them to rounds 1 and 2 to find your winner!
