STRENGTHENING MARRIAGES, ONE DATE AT A TIME

HEY YOU...

Grab a chair and this stack of cash and meet me in our bedroom at sharp.

P.S. Pants are optional!

Slow makeout sesh while straddling your partner on the chair.

Slowly strip down to lingerie while straddling your partner on the chair.

Slowly strip down to your birthday suit while straddling your partner on the chair.

Give your partner a sensual massage while they're sitting in the chair.

Tease your partner with kisses all over their body while they're sitting in the chair. You can switch out kisses for a feather, or any other sexy item.

Blindfold your partner and straddle them on the chair. No kissing. Let your/their hands do the talking!

Perform a sexy dance around the chair while your partner is sitting and enjoying the show.

Perform a sitting sex position while you or your partner are sitting in the chair.

Perform a standing sex position and use the chair for balance.

Have your partner sit naked on the chair. Use whipped cream (or something edible) and cover parts of their body. Lick/kiss the whipped cream off their body.

Let your partner choose a sexy song. Kiss, make out, rub up against each other, etc. throughout the duration of the song while straddling your partner on the chair.

Blindfold your partner and give them a lap dance. Clothing is optional, but make sure they stay blindfolded!

Straddle each other while naked in the chair. Start kissing and see how long you can keep your hands to yourself!

Straddle each other fully clothed. Take turns removing an article of clothing from each other's bodies. Once you're both naked, let the mood take you where it needs to!

Ask your partner how they would like to use the chair. Get creative!
