1. Print out the first page on letter size (8.5" x 11") card stock.

2. To print the inside of the card, print out the second page on the back of the first page.

3. Cut out the card around the outside solid line on the front of the card.

4. Fold the card in half along the dashed line.

*I'm so in love with you, you know that it's true
I'm so grateful for all of the things that you do
You're thoughtful and caring, charming and sweet
It's the little things that sweep me off of my feet*

I want you to know- I notice it all!

It's the reason that, for you, I still fall.

Being this amazing must be hard,

So I wanted to give you these little punch cards.

Every time you do something to make me swoon,

(Whether it's morning, night, or afternoon)

I'll grab our love card and give it a punch

And before you know it- you'll have a bunch

And when all the circles are finally punched out,

Then it's really time to celebrate and shout!

Because I've got a surprise that's waiting for you.

(And I promise it's a really good one too!)
