OF FREAKY FISHING!

WHEN: _____

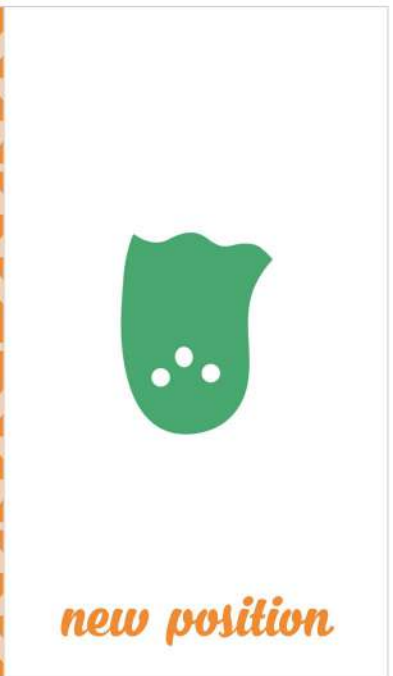

WHERE: _____

INSTRUCTIONS FOR FREAKY FISHING:

1. Shuffle Freaky Fishing Cards and deal out three per person.
 2. Spouse 1, will ask Spouse 2 for a card they are holding in their hand, hoping to make a match.
 3. If Spouse 2 has the requested card, they will surrender it to Spouse 1. If they do not have the requested card, they will tell Spouse 1 to "Go Fish."
 4. If a match is made by either receiving the requested card from your partner or picking up a matching card from the pile, the opposing person must perform the action on the pair to/for their spouse.
 5. This continues until all the cards have been matched.
- **Note:** If the match for New Position or New Location is made before all the foreplay cards have been choose, save those cards for later in the game. The spouse holding the pair has the choice of location or position.

FREAKY *fishing* CARDS

Print these Freaky Fishing cards twice, so you will have a match for each one.
