Darling,

Daylight Savings steals an hour from us, and I can't bear losing any time with you. What do you say we head to the bedroom and...lose another hour together? Only this time it will be on purpose...

Amorously Yours

Dearest,

Daylight Savings steals an hour from us, and I was thinking that's a little unfair. So, what do you say we meet in our room and catch up on that hour with a couple's nap?

*Meet me there.
Your Love*
