# Dracula's DINER

Instructions:
This Halloween, let your family order dinner at Dracula's Diner. But this menu is not like other menus! They will not know what they're ordering. Instead of the actual food items, you'll be using Halloween code words.

To begin, decide what you would like to serve for the meal. And then assign each item to a code word on your "cheat sheet." For example:

Dracula's Blood = Fork
Skeleton Bones = Spoon
Spider's Web = Napkin
Witch's Broom = Main Dish
Eerie Eyeballs = Side Dish
Goblin Delight = Side Dish
Ghost a la Mode = Drink
Witch's Brew = Dessert

Have each person "order" dinner by filling out their menu, making sure they use each of the 8 different items only once. Then use your "cheat sheet" to serve each person their courses. One person may get a napkin and dessert for an appetizer, while another gets a fork and a drink for dessert.

At Dracula's Diner- anything goes!
