

FOURTH *of July*

PRINTABLE POP UP CARD

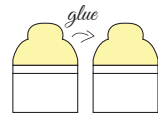

- 1** Print all of the pages on cardstock and cut out each panel. Lay pages in front of you with the print side up.

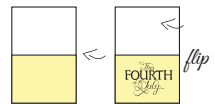

- 2** Fold the top and bottom of each maroon bar, and then re-open the folds to create creases.

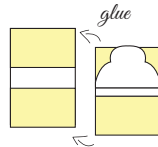

- 3** Glue together the highlighted top panels, and leave the other sections unattached.

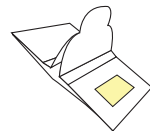

- 4** Flip the cover panel over so that the blank side is up. The front of the card should stay on the bottom.

- 5** Line up and glue the highlighted panels to the top and bottom of the cover panel. The middle should stay unattached.

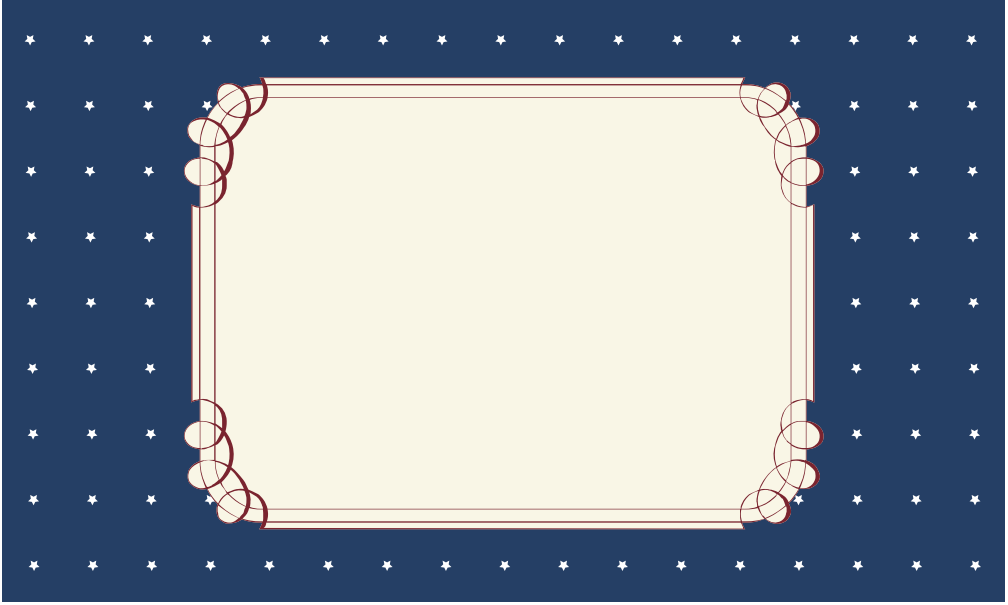

- 6** Fold the card in half, write a message in the blank box to complete the project, and you're done!
