

Don't **EAT** Pete!

How to Play: Place one M&M candy in each square. Send the youngest player out of the room while the next oldest player chooses one candy piece to be "PETE." When Pete is chosen, the group yells, "C'MON BACK!" The player returns and eats the candies one at a time; while the group cheers him on (GO 'player's name' GO). BUT, the minute he touches "PETE" the group yells "DON'T EAT PETE"! The player then has to stop, no matter how many M&M's have been eaten. His turn is then over, the board is reset, and the next player leaves the room.
