To: My Guy
Love: Your Gal

XOXO

My complete surrender, for one night,
to fulfill your sexiest desires.

I am yours right here and right now! No reason
to wait one single moment longer to have me!

Your wish is my command, Whisper sweet
nothings in my ear and I'll make it happen.

A well placed and positioned mirror,
so we can watch.

Clear your schedule, I am on the top of your
to-do list today!

Sweet submissions.
I will seduce you and I promise you will
want to submit to me!

Together we will pick out a new bedroom toy
and try it out.

Today I'm all yours! Turn off the phones, no visitors allowed,
and hang the do not disturb sign. We are hanging out
in bed all day, doing whatever we please!

Baby, you need to beg for it..I will tempt and tease
you until you can't take it anymore!

No holding back, tonight is all about
talking dirty to me.

Blindfolded delights.
You pick who gives, and who receives.

I've made a romantic cd and we are going to
move to the rhythm of the music.

What characters do you want us to play, cops and
robbers, Jane and Tarzan, student and teacher, or
employee and boss? Tonight, it's all up to you.

Pick a prop and I'll do the rest.

Let's grab the camera because we are snapping teasing, alluring, and seducing pictures tonight.

Create a masterpiece. We are creating a work of art to hang in our bedroom during a body paint session. Get lathered up in paint and let's get to work!

We are playing slip and slide. Tonight we are giving each other a full body hot oil rub, followed by a sensual massage using only our gliding bodies..

Light me up! Tonight it is just you, flickering candlelight, and me.

Eyes wide open! Watch me the whole time.

Lights, camera, action...
Act out our favorite steamy movie scene.

You bring the chair and the dollars. I will give you a **HOT lap dance**. Remember no touching allowed, if you are a good client, I might treat you to more.

X marks the spot...mark your favorite spot in the house and I'll meet you there.

An evening on the town, pretending we are strangers. Flirt, tease, and convince me to come over for a nightcap.
