V O T E

For your Prom

KING & QUEEN

Lets go "Back to the Future" to celebrate  
your 30th birthday in style.....80's style  
that is!

You might be blowing out more than "16  
Candles" this year, but baby, you will  
always be "Forever Young" to me!

Try this boutonniere on for size and come  
"Bust a Move" with me tonight!

Later we'll take the "Sweet Child of Mine" to  
the sitters; then go to our little "Love  
Shack" and I'll let you "Pour Some Sugar on  
Me." \* Wink\*
