# Family Fun DAY DATE

'Tis the day AFTER Christmas and the house is a mess,  
But that can wait because my kids are the best,  
Let's do something together instead of something alone,  
Away from this mess quickly let's go,

Let's get out of here and do something fun,  
Like sledding or skating, there's so much fun to be done!  
Just because Christmas is over doesn't mean the festivities end.  
A fun family game, a puzzle or a movie we'll attend.

We'll play as a family, we'll smile, please don't tease!  
Let's grab our schedule and fill it with fun family activities!  
At the end of the night, a reward may be in store,

## Let's Get Organized DAY DATE

'Twas the night AFTER Christmas and all through the house,  
Not a surface was spotless... not even the couch.  
The stockings were thrown on the floor without care,  
And Momma thought that might be pie in Baby's hair.

"A clean up is in order," I said with a "yelp!"  
Perhaps if we make it a game the whole family will help.  
We'll play bingo and have prizes 'til the house is all clean,  
Then we can all sit and relax--what a beautiful scene.

Relax & Recover  
After Christmas

# DAY DATE

'Twas the night AFTER Christmas, in this little house  
And I really just wanted some time with my spouse!  
The holiday season was merry and bright  
But boy, could we use a RELAXING night!

The shopping and wrapping and mailing and baking-  
Was enough to set our poor heads to aching!  
So I snuggled the little ones up in their beds  
And started concocting a plan in my head...

What we needed was a little romance!  
Maybe some massages or a nice slow dance?  
Cuddling up to a movie also sounds nice....  
Or a hot bubble bath would surely suffice.

With so many choices, I just couldn't pick  
So I'm hoping you'll help me decide pretty quick.  
Just circle your favorite choices below  
Then we'll be set and ready to go!
