On a pillow of delight
Is the best place to give you
My last peck of the night.

Your lovely kisses
And your soft caresses
Envelope me in the warmth
of your loving finesse.

Clue 3:

Panties or briefs,
It's what ever you choose.
Once you undress me,
You can't lose.

When the flame starts to
ignite
You know how to excite.
Leaving me all steamy

When I see you dressed
to the nines
You always look so fine

you are mine.

*Challenge your spouse to an
intimate bedroom game for two*

Items Needed

24 Hershey kisses or another chocolate treat
blindfold, tickler, ice, handcuffs, melting candle or warmed
massage oil, bedroom toy, heated massagers, and any
other items needed to complete the actions for the game.

Game Set Up

Print off two pages of the checkerboard. Glue them together to
create the playing board. Cut out 24 action pieces and glue
them to the bottom of the Hershey kisses.

Rules of Play

Each spouse begins the game with 12 kiss pieces.
Place the pieces in three rows closest to him and closest to her.
The object of the game is to capture all of your
spouse's checkers or position your checkers so that your spouse
has no possible moves. Basic movement is to move a checker one
space diagonally or forward. Once a piece is captured the loser of
the piece must fulfill the action on the kiss.
If you two play the game right, you will both end up winners!
