

Kiss Your Mate Day

A day all about kissing your sweetheart!

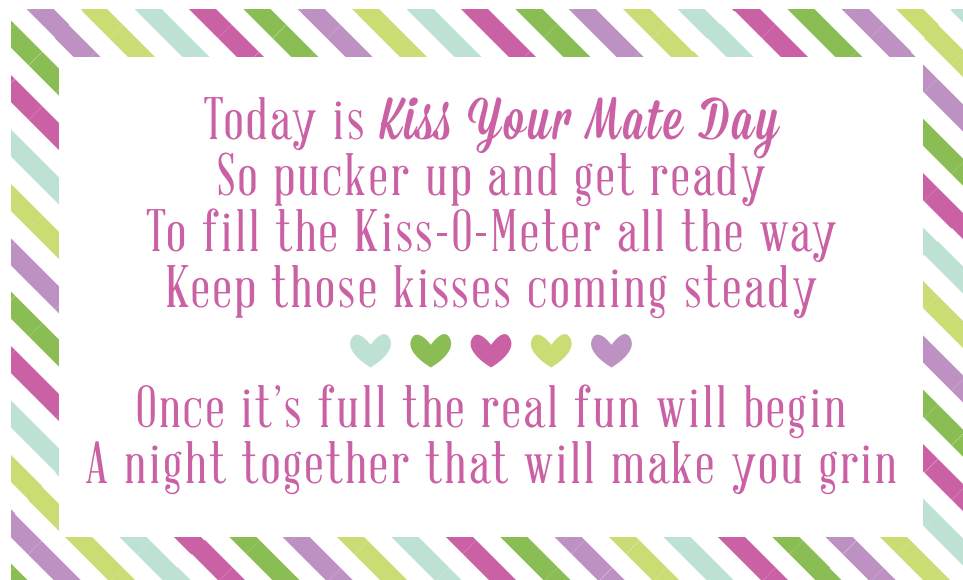

What's Included:

- Page 1: Instructions and instruction card for the inside of the Kissing card
- Page 2: The Kissing card to give to your loved one
- Page 3 and 4: Printable notes all about Kisses
- Page 5: Printable stickers for chocolate kisses

How To Use This Printable Packet:

1. Assemble the card from page 2 by cutting it out, folding it, and placing the instruction card from page 1 inside.
2. Print out your sticker page onto special sticker paper and then place a sticker on the bottom of your kisses.
3. Cut out the Notes about Kisses cards and decide how you want to use them.
4. Give your loved one the card at the beginning of the day and then make sure to give them all kinds of kisses throughout the day.
5. You can use the chocolate kisses to make trails to the Notes about Kisses or be waiting for your loved one to give them a real kiss!

Cut out the Instruction Card Poem and place inside the card on page 2

Make-Out Sessions:

I can't wait
to get your
TULIPS
on mine!

I fell asleep last night
wanting to kiss you
and when I woke up
this morning, *that*
feeling hadn't left.

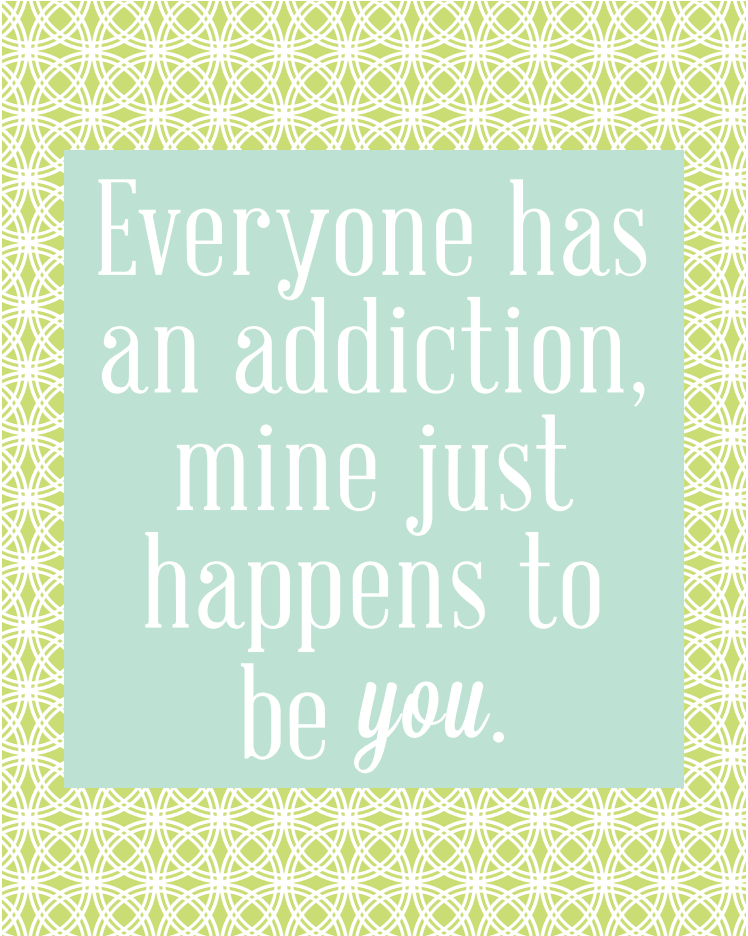

Kiss me hard
before you go.

Can I borrow a *kiss*?
I promise I'll give it back.

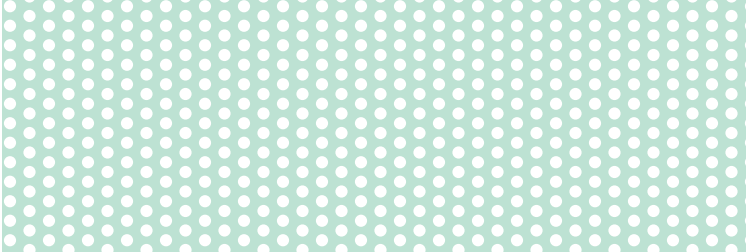

Passionate kissing burns
6.4 calories a minute.

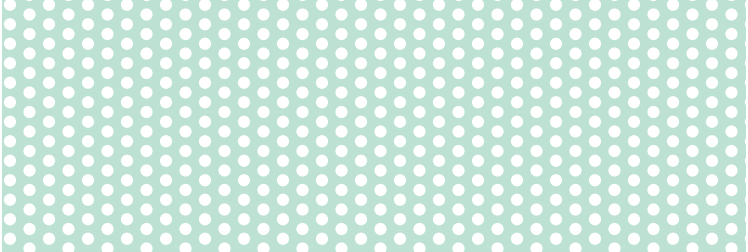

Everyone has
an addiction,
mine just
happens to
be *you*.

Even if I lost
my memory,
I swear I'll
never forget
our first *kiss*.

You have lips.
And I have lips.
Interesting...

Always
kiss me
goodnight.
